

“No Child is Left Behind”

March 14, 2018

### Principal’s Message

Dear Parents,

It was great to see the students return to school from their February break all refreshed and full of enthusiasm!

On Tuesday, March 6<sup>th</sup>, we celebrated 100 Days of School. Students, using a rotational schedule, visited other classes to look at the different exhibits done by other students. We had a lot of fun! We were quite pleased with some of the creativity. Thank you parents for your usual support.

We have started sending home on Mondays, a Weekly Graphic Organizer for every class. This way, you can get a snapshot of what your child will be doing in his/her class. In some cases, you will not find too many changes because some concepts take some time to teach.

On Friday, March 9<sup>th</sup>, at the end of the day, we all assembled in the grade 5-6 classroom and we had a special visitor from India come and do special Indian paper art demonstrations with our students. The students enjoyed watching Mr. Kuman show them how to make several creations! There are two booklets for sale for any of you who would be interested. Thanks to those of you who already paid for the booklets. We still have a lot more in the principal’s office.

As part of our Host Country Study (Cote D’ivoire), all of the students will be going on a field trip planned for next week Wednesday, the 21<sup>st</sup> to the national museum in plateau. We plan to rent a bus. We will give you more information concerning the cost and any other specific information.

We would like to take this opportunity to welcome two new students joining LIS. We have Jessica Yembiline (K4) and Ylan Haidara, (nursery), Marwann’s younger brother.

We also have two volunteers who are helping the teachers with the students; Ms. Fatime and Ms. Marie. We praise God for them. They are great additions to LIS.

Registration for the the 2018-19 academic school year is in process. Returning students do not have to pay registration fees, but will have to pay the first part of the tuition fees by May 1<sup>st</sup>. Please see Ms. Josephine for the tuition fees form for next academic school year.

This Saturday, March 17<sup>th</sup>, LIS is having Open House/Porte Ouverte from 9:30-12:30. We encourage you to please come and bring interested friends. The flyer was sent yesterday via WhatsApp. This is part of our marketing plan for the school.

The LIS staff would like to wish all of you a very Happy Easter ahead of time.

**HE HAS RISEN! MARK 16: 6**

Sincerely,  
**Gloria Freeman-Fromayan**  
**LIS Principal**
